Introduction to Alford Academy

Dear Parent/Carer

Alford Academy is an ambitious, caring and proud school community. We believe that our very positive relationships across our community are very much at the heart of our happy and achieving school. We recognise that one size does not fit all. Our young people are born individuals and should leave school as individuals. We are committed to working together with our young people, parents and partners to encourage, support and celebrate each young person's achievement. Our focus is clearly on the wellbeing of our young people and unlocking their potential, raising their aspirations, developing their skills, and enabling them to achieve now and in the future.

Alford Academy defines learner achievement as a combination of

- character strengths including skills for learning, for life and for work
- academic and wider achievements
- highest quality work which demonstrates creativity, craftsmanship and perseverance.

What we expect of our young people, we expect of ourselves. We take time and care to model our school values (HHARK- Hard Work, Honesty, Ambition, Respect and Kindness) and habits of work and learning (HOWLs- Hard Work, Aiming High, Being Kind) , in our daily practice. We promote and celebrate them through the achievements of our young people and staff and refer to them when improvements are identified.

As a school we are constantly looking forwards, working and learning together with our young people, parents, other schools and increasingly business and community partners. We are committed to delivering the best learning experiences for all our young people with the resources we have. .

This school handbook is designed to inform parents and carers about the work and wider life of Alford Academy. We look forward to meeting and working closely with you and your son/daughter as he/she progresses through Alford Academy.

Please do not hesitate to contact the school, should you wish further clarification or information on any issue associated with the school or to make an appointment to visit the school.

Yours sincerely

Moira Milne

Alford Academy is a six-year non-denominational secondary school located in the Donside village of Alford, approximately 25 miles to the west of Aberdeen and within easy reach of the Cairngorms National Park. Our rural catchment area of approximately 600 square miles stretches from Echt in the east to Corgarff in the west.

Our new Alford Community Campus opened in October 2015. This shared campus is home to Alford Nursery, Primary and Academy, Community Learning and Development, Sports and Leisure and Library Services. Our indoor facilities include a swimming pool, sports hall, climbing wall and theatre. Outdoors we have an all-weather pitch, running track, grass pitches and dry ski slope. A short distance away is the school's own forestry plot, gifted by the Murray Park Trustees.

Our Staff Team

The Senior Leadership Team consists of a Head Teacher, three Depute Head Teachers and a Cluster Business Manager. There are 15 Principal Teachers, including four Principal Teachers of Guidance and one Principal Teacher of Additional Support for Learners (ASL). The following faculties are currently in place: English, Mathematics, Modern Languages, Business Education and Computing, Science (Biology, Chemistry and Physics), Enterprise and Creativity (Art & Design, Home Economics and Technical), PE/Health, Performing Arts (Music and Drama) and a Faculty of Humanities (RMPS, History, Geography, Modern Studies). In addition to our core staffing, our Active School's Co-ordinators provide a range of activities to support Health & Wellbeing. Additional Support for Learners (ASL) teachers work across the Alford Cluster schools. An extensive team of support staff, incorporating Janitors, Technicians, Pupil Support Assistants (PSAs), Librarians and Office Staff provide excellent service to Alford Academy and its cluster schools.

Our Vision, Values and School Ethos

“Working together to nurture, inspire and achieve”

Our Values

The work and life of our school is underpinned by 5 values:-

Honesty, Hard Work, Ambition, Respect, Kindness

Our Aims

- **Attainment and Achievement**

To raise attainment and wider achievements for all our pupils, especially through the skills of literacy, numeracy, health and well-being, digital literacy and working with others.

- **Learning, Teaching and Assessment**

To promote the highest quality learning experiences for pupils by investing in professional learning to create knowledgeable, confident and skilled teachers capable of getting it right for every young person, raising the attainment and achievement levels of our pupils.

- **Inclusion and Equality**

To provide equality of opportunity to access education in a way that is engaging and appropriate to the pupils' interests, physical and intellectual needs.

- **Values and Citizenship**

To work with pupils, parents and employees to promote self-respect, respect for others and interdependence within society. In turn our pupils will understand the duties and responsibilities of citizenship in a democratic society.

- **Learning for Life**

To equip pupils with positive attitudes and expectations, encourage creativity, ambition and entrepreneurial skills that will help them prosper in our changing society.

Alford Academy is not just a school, it is a learning community that recognises teaching and learning does not start and stop at the school gates. Through

developing our partnerships in and out of school, we work together to increasingly provide the very best learning and leadership experiences and opportunities for all. In turn we aim to support and furnish each individual youngster with the knowledge, skills, experiences, insight and drive that will set them on their path to a prosperous future, effectively contributing to life and work in Aberdeenshire, Scotland and worldwide.

We have an inclusive approach where all pupils are valued and supported in their learning by all staff. Pupils are known well by their Principal Teacher of Pupil Support and the Depute Head Teacher linked to their House group.

Alford Academy works closely with its associated primary schools (Alford, Cluny, Craigievar, Dunecht, Echt, Keig, Lumsden, Midmar, Monymusk, Strathdon, Tough, Towie and Tullynessle) to ensure pupils experience a coherent 3-18 education and effective transitions. All Head Teachers meet each term to discuss strategic and operational issues. In addition, cross-sector links are developing, on a formal and informal basis, to support curricular transitions and professional dialogue and learning.

Partnerships within the local community are being further developed to provide support for individual pupils and groups of pupils. Our flagship partnership is with Mackie's of Scotland who are providing a range of curriculum inserts, career education and sponsorship.

The school is well supported by an active Parent Council with members supporting the work of our Student Council and actively engaging in consultation about values and school improvement, including induction programmes for senior pupils.

Partners from health, social work, police, library services and community learning & development are committed to developing effective integrated working practices in order to enhance support for our young people.

Curriculum

Within our school, we aim to provide a curriculum that is both inclusive and ambitious for all – a curriculum which is both academically challenging and also provides opportunities to develop skills for learning, life and work.

Our curriculum will be based around the four capacities of Curriculum for Excellence – to ensure our pupils are successful learners, confident individuals, effective contributors and responsible citizens. Our curriculum will also reflect the principles of curriculum design to ensure breadth, depth, personalisation & choice, challenge & enjoyment, progression, coherence and relevance. We will, therefore have a curriculum which we will adapt continuously over time to meet the needs of our pupils.

Following the principles of Curriculum for Excellence, achievement of children and young people is celebrated in its broadest sense. This means looking beyond formally assessed learning, to recognise activities like volunteering and participation in arts, sports and community-based programmes. This approach complements the nurturing and aspirational outcomes of Getting It Right for Every Child, and our aim in Aberdeenshire to overcome inequality by Raising Attainment for All, promoting Equity and Excellence in schools, and Closing the Gap. Further information on the schools approach to Curriculum for Excellence including information for parents, can be found on the school website at: www.alfordacademy.aberdeenshire.sch.uk

Curriculum Design

Our curriculum is designed on the basis of the following 7 principles:

- Challenge and enjoyment
-

- Breadth
- Progression
- Depth
- Personalisation and choice
- Coherence
- Relevance

Developing Young Workforce

As part of the curriculum, pupils will develop skills for learning, life and work. More detail about these key skills can be found using the link below:

<https://www.npfs.org.uk/skills-in-a-nutshell/>

Throughout their time in school, from Early Years onwards, all pupils will have an opportunity to engage with employers, through experiences like workplace visits, career talks, employability events and courses, work experience and curriculum based activities. They will also have the opportunity to learn about further and higher education, and the work done by training providers, as well as different career pathways into employment.

In S4-6, pupils will be given the opportunity to study for vocational qualifications, including Foundation Apprenticeships, alongside the more traditional qualifications.

Further information for parents on Foundation Apprenticeships can be found at <https://www.apprenticeships.scot>

Further information for parents can be found on the Aberdeenshire DYW website:

<http://dywaberdeenshire.org/parents/>

Curricular Levels

Early	The pre-school years and P1, or later for some.
First	To the end of P4, but earlier or later for some.
Second	To the end of P7, but earlier or later for some.
Third and Fourth	S1 to S3, but earlier for some. The fourth level broadly equates to Scottish Credit and Qualifications Framework level 4. The fourth level experiences and outcomes are intended to provide possibilities for choice and young people's programmes will not include all of the fourth level outcomes.

Development of Spiritual, Moral, Social and Cultural Values

In our school we are committed to providing appropriate opportunities for the development of pupils' spiritual, moral, social and cultural values through both the ethos and the curriculum. This includes a programme of 'Time for Reflection' assemblies as well as Christmas and Easter services.

Extra-Curricular Activities

At Alford Academy a range of extra-curricular activities is also provided. Information regarding current clubs (including those led by Active Schools) and extra-curricular activities is communicated throughout the year via school bulletins. All pupils are encouraged to take part in at least one activity or club in order to enhance their school experience.

Alford Academy also provides a wide range of opportunities for pupils to take on leadership roles in activities within the school and local community, developing self-confidence and skills such as teamwork and leadership skills.

Student Executive

The Student Executive consists of Head Prefects and their Deputies. The Student Executive works closely with the Head Teacher and co-ordinates prefect duties and responsibilities and also take a lead in school events.

Prefects

Prefects collectively set the tone for the school and are expected to promote positive relationships through exemplary conduct and engagement in the school community. Prefect duties range from social time monitoring, visitor tours to involvement in enrichment activities and parents' evenings.

Student Council

The Student Council is made up of representatives from each year group. The Council is chaired by a S6 representative. It is a consultative body and plays an active role in school life. The Student Council is supported by the Parent Council and works on school improvements including outdoor learning and social spaces, indoor seating, learning and teaching and supporting transitions from Primary to Secondary.

House Captains

House and Vice House Captains are ambassadors for their Houses, promoting our school values and supporting and promoting the wellbeing of young people. They act as role models, support pupils and their House Guidance Teachers and organise interhouse activities and house assemblies throughout the year.

Health and Wellbeing Young Leaders

Health and Wellbeing Young Leaders work with staff and pupils to develop fitness activities and sports as part of the Curriculum for Excellence.

Mental Health Ambassadors

Senior pupils have the opportunity to participate in a SAMH (Scottish Association for Mental Health) programme to become Mental Health Ambassadors. Our Ambassadors offer peer support to the young people in our school, through lunchtime drop-in sessions and one to one 'talk time' as well as preparing support guides for times of challenge, e.g. during assessment periods.

Mentors In Violence Protection (MVP)

MVP is a peer mentoring programme that gives young people the chance to explore and challenge the attitudes, beliefs and cultural norms that underpin gender-based violence, bullying and other forms of violence. Our Mentors in Violence Prevention Team of senior pupils work with younger pupils to understand how to be an active bystander and challenge inappropriate behaviours of their peers in a safe way.

1+2 Language Learning

The Scottish Government has introduced a policy 'Language Learning in Scotland: A 1+2 Approach'. Children are growing up in a multilingual world and to allow them to take their place as global citizens, they need to be able to communicate in many settings. This approach entitles every child and young person to learn two languages at school in addition to their mother tongue language.

In Alford Academy the first foreign language will be either French or Spanish. This language will be learned from P1 through to S3.

If you would like your child to access Gaelic Medium Education and they have not yet started to attend a primary school you can make a request for an assessment of need for Gaelic Medium Primary Education (GMPE). For more information, please go to:

<http://aberdeenshire.gov.uk/schools/information/gaelic-in-schools/>

The parent or carer of any child or young person can make a request for their child to attend to any school which offers GMPE. This will enable your child to be taught by specialist staff. As there are currently no schools in Aberdeenshire which have GME provision learners are transported to school in Aberdeen City.

Assessment and Reporting

Pupils move through the curriculum at their own pace. A wide range of assessment techniques are used in school depending on what is being assessed and the reason for the assessment e.g.

- Observation of what the pupils “say”, “write” and “do”.
- Homework
- Self and peer assessments
- Marking of class work and other individual/class assessments
- Ongoing tracking and monitoring procedures in school
- Scottish National Standardised Assessments (P1, P4, P7 and S3)

Progress will be evidenced using a variety of approaches that best reflect the learning that has taken place and will track the skills that your child or young person is developing.

Assessment is ongoing throughout the Broad General phase and is a continuous process which influences the goals set for your child. As part of assessment, each year children and young people in P1, P4, P7 and S3 will participate in the Scottish National Standardised Assessments (SNSA). These national assessments are completed online and provide teachers with immediate feedback on each child or young person’s progress in literacy and numeracy. Children and young people do not have to prepare or revise for the assessments, which take place as part of normal learning and teaching. The assessments do not have any pass/fail mark and the results are used to help teachers plan the next steps in learning for each child/young person. Further information on SNSA is available at

<https://standardisedassessment.gov.scot/>

The results of children’s achievements are discussed with them regularly so that they are involved in taking responsibility for their own learning. This may take the form of oral discussion and/or written comment. In this way, it is hoped to assist the pupil identify what has been learned and the next steps to their learning. Children regularly set targets in their work.

Parents will be informed of progress:

- through pupil profiles/learning logs
- through parent consultation evenings and other meetings
- through curriculum/learning events/parent workshops
- by the annual school report
- Individual Education Plans and associated documents

Parents and carers are encouraged to contact the school at other times throughout the year to discuss their child’s progress.

Secondary schools: Assessment & Reporting in the Senior Phase (S4-S6)

In the Senior Phase pupils embark on the National Qualifications.

As pupils enter this phase they are set an aspirational target grade for each subject they are studying. This forms the basis for learning conversations between staff and pupils to discuss progress and identify next steps. This is shared with parents/carers through TRACKING Reports.

Further Information on Assessment, Reporting & Profiling can be found on Parentzone:

<https://education.gov.scot/parentzone/learning-in-scotland/assessment-and-achievement>

Transitions (Moving On)

Transfer to Secondary Education

An induction programme for P7 pupils is in place to help ease the transition into S1. P7 pupils attend a 'link day' in May and then a further 'link week' at the Academy in June.

Alford Academy has an extremely close relationship with our thirteen Primary Schools.

Information about our P7 pupils is shared with guidance staff at the academy to help support appropriate continuity of education.

Visit Parentzone for more information about transitions:

<https://education.gov.scot/parentzone/my-child/transitions>

1 Admissions

Nursery Admissions.

Early in each calendar year, all parents/carers should complete an application form and submit this to the nursery of their choice. This can be your local school nursery or any other early learning and childcare setting within Aberdeenshire. The application form can be found here:

<http://aberdeenshire.gov.uk/schools/information/early-learning-and-childcare-information/>

Primary Admissions

New entrants to P1 are enrolled early in the calendar year for entry to school in August. This is for children who will be five on or before the school start date in August. Those that have their fifth birthday between the August start date each year and the end of February the following year, may also be admitted. Go to:

<http://aberdeenshire.gov.uk/schools/information/primary-school-registration/>

To view the school catchment area for your address, go to:

<https://aberdeenshire.gov.uk/schools/school-info/admissions/school-zones/>

2 Placing requests & School Zones

For all advice and information on placing requests and guidance on school catchment/zones go to:

<http://aberdeenshire.gov.uk/schools/information/choosing-a-school>

Your child would normally attend a school within the school catchment area (zone) close to where you live. However, you can request that your child attends a school in another zone (out of zone). Please follow the links for more info:

Out Of Zone Placing Request Policy & Procedures

3 (S) Skills Development Scotland

Skills Development Scotland (SDS) is Scotland's careers service.

Qualified SDS Careers Advisers work in schools and careers centres across the whole of Scotland. The SDS Careers Adviser in our school is <NAME> Contact with the Careers Adviser should be done through the school.

Careers Advisers will meet with young people to help them make decisions about their future career pathway. Alongside other school staff, Careers Advisers are involved in supporting young people through subject choice at relevant stages in their education. This may involve working with individuals one to one, or with groups or classes. Young people can continue to access support from advisers when they leave school, through the Career Centres in Peterhead, Inverurie and Aberdeen.

Support for Children and Young People

4 Getting it Right for Every Child

Getting It Right for Every Child (GIRFEC) is the national policy approach in Scotland which aims to support the wellbeing of all children and young people, by offering the right help, at the right time, from the right people. Certain aspects of this policy have been placed in law by the Children and Young People (Scotland) Act 2014.

Aberdeenshire's schools play a key part in delivery of Aberdeenshire's Children's Services Plan.

Its vision is that:

'Our commitment to Aberdeenshire's children and young people, is to provide them with the right support, in the right place, at the right time.'

In helping them reach their individual potential and goals, we will work together to make Aberdeenshire the best place in Scotland to grow up'

You can find out more about our Children's Services Plan at:

<http://www.girfec-aberdeenshire.org/who-we-are/our-childrens-services-plan/>

5 Wellbeing

Wellbeing of children and young people sits at the heart of the *Getting it Right for Every Child* approach. Eight Wellbeing Indicators shown below, outline the aspirations for all Scotland's children and young people.

The Getting It Right approach means services will work in partnership with children, young people and their parent/carer(s) and we want every child at our school to feel happy, safe and supported to fulfil their potential.

Secondary – Pupil Support Team/Guidance

Every pupil is a member of one of four Houses - Craigievar, Forbes, Glenbuchat or Kildrummy. Each House has a Principal Teacher of Guidance (PTG) who has overall responsibility for the wellbeing of the pupils in their House. The Guidance teacher provides day-to-day support for pupils and is the first point of contact for pupils and their parents/carers. The Guidance Teacher also monitors pupils' progress and supports pupils to make appropriate subject, career and lifestyle choices.

Individual pupil support is complemented by a well-planned Personal and Social Education (PSE) programme which is delivered to House groups by Guidance staff.

House Links

Each Depute Head is linked with a House and works closely with the Guidance Teacher to monitor and support pupils in that House.

House	PT Guidance	Depute Head
Craigievar	Mr G Scott	Mrs L Lees
Forbes	Mrs F Talbot	Mr S Gardner
Glenbuchat	Mrs D Gerrie	Mrs L Lees
Kildrummy	Mrs V Williams	Mr S Cookson

Pupil support is not exclusively the responsibility of Guidance Teachers. The school prides itself on the quality of relationships between staff and pupils and recognises that every member of staff has a responsibility to look after the emotional, physical and learning needs of their pupils.

Senior pupils, too, contribute to pupil support through their roles as buddies, peer listeners, prefects and House captains.

6 Children's Rights

The Children and Young People (Scotland) Act 2014 included new law to help make sure children's rights are promoted across Scotland. Children and young people's rights and participation are promoted in lots of different ways by schools in Aberdeenshire.

This means we:

- Raise awareness of Children's Rights, and how rights can be accessed
- Provide opportunities for children and young people to get involved in decision-making
- Make sure children and young people's views influence how we develop services
- Support children and young people to express their views (where needed)
- Listen to children and young people's views on what we do well, and what we could do differently

Aberdeenshire Council has endorsed a Children and Young People's Charter. You can find out more about Children's Rights and opportunities for participation at:

<http://www.girfec-aberdeenshire.org/home/children-and-young-people/>

7 The Named Person

Prevention and early-intervention are seen as key to the Getting It Right approach in achieving positive outcomes for children and young people. By providing support at an early stage, most difficulties can be prevented from escalating.

One way the Scottish Government has decided this should be taken forward, is by making a Named Person available to every child and young person in Scotland. From birth to prior to starting school, the Named Person Service is provided by your Health Visitor. The Education Service provides the Named Person Service for all children on entry to Primary One, until aged 18 (or beyond where a young person remains at secondary school). In Aberdeenshire the Named Person will be either the Primary Head Teacher or Deputy Head Teacher and in Secondary School, the Named Person will be that young person's allocated Principal Teacher of Guidance (with a few exceptional circumstances).

The purpose of the Named Person role is to make sure children, young people and parents have confidence that they can access help or support no matter where they

live or what age the child is. Acting as a central point of contact, the Named Person can help children, young people or parents/carers get the support they need, if and when they need it.

The Named Person can help by:

- Providing advice, information or support
- Helping a child, young person, or to access a service or support
- Discussing or raising a wellbeing concern about a child or young person.

There is no obligation for children and young people or parents to accept any offer of advice or support from the Named Person. Non-engagement with a Named Person is not in itself a cause for concern. The Named Person Services is currently delivered on a national policy basis.

For more information you can contact your child or young person's Named person directly, or go to:

<https://www.gov.scot/policies/girfec/named-person/>

8 Educational Psychology

The Educational Psychology Service (EPS) provides a service across Aberdeenshire from pre-birth to 24 years old. We work with children, young people, families, educational staff, local authority colleagues and a wide range of other professionals including health professions, social work, early years partner providers and post school training and education providers.

When there are concerns about a child or young person's learning or wellbeing, an Educational Psychologist can support others to problem solve their way through potentially difficult and complex situations. Consultation with people who know the child best forms the basis of Educational Psychology assessment. Its purpose is to explore and understand the concern, and support people to come up with solutions that will work in that particular context.

The EPS also offers a range of services that help improve learning and wellbeing for all children and young people. We do this through action research, development work with schools, training, and contributing to strategic developments.

<http://aberdeenshire.gov.uk/schools/eps/>

9 Enhanced Provision & Community Resource Hubs

Aberdeenshire Council is committed to supporting children and young children to be educated in local schools through providing the right support in the right place at the right time. By enhanced provision we mean that a local primary and secondary school has an enhanced level of resources, such as access to a sensory room and life skills area; and support for learning staff who have an enhanced level of expertise to meet a range of needs.

Further enhancement is available through the community resource hub, for a small minority of children with severe and complex needs, who regardless of chronological

age are making very small steps in learning and are at the early levels of learning. The enhanced provision centres and community resource hubs can offer outreach support to mainstream schools, short term assessment placements, flexibility (e.g. blended places) and access to a variety of therapies.

For more information on all of our resources and policies go to:

<http://asn-aberdeenshire.org/>

10 Support for Learning

At times in their lives all children may require support for learning for a range of reasons. Some children may need a lot of support all the way through school. Others may need only a small amount for a short time.

A child is said to have additional support needs if they need more, or different, support to what is normally provided in schools or pre-schools to children of the same age. Reasons for requiring support might include:

- Missing school because of an illness or long-term condition
- Having a physical disability
- Being a young carer
- Communication difficulties
- Being particularly able
- Changing school a lot
- Being looked after or in care
- Difficulty in controlling behaviour
- Having a difficult family situation
- Suffering a bereavement
- Being bullied

Each school cluster has an allocation of Teachers of Additional Support for Learning (ASL) who are employed to support pupils with additional support needs. They work across each cluster in primary and secondary. In partnership with school staff, parents and other professionals (if appropriate), they identify barriers to learning, assess children's needs and support learning and teaching through a relevant curriculum.

Pupil Support Assistants (PSAs) assist teachers in promoting achievement and raising the standards of pupil attainment. They provide general support in relation to the needs of the class and individuals' care, health and wellbeing and safety and to ensure a secure and safe environment.

11 The Child's Plan

The *Getting It Right* approach makes sure children and young people are provided with a range of support, which is proportionate and put in place to meet assessed need. This is reflected in Aberdeenshire's staged approach to assessment and planning for individual children and young people, shown below.

For a small minority of children or young people, there might be higher levels of wellbeing need or risk identified. These children may require a level of targeted support, which needs to be coordinated on a single or multi-agency basis through a Child's Plan.

Where a child or young person needs one or more targeted supports, the benefit of a Child's Plan will be discussed with them and their parents/carers. An assessment using the National Practice Model (My World Triangle/Resilience Matrix) would help to identify any wellbeing needs (*Safe, Healthy, Active, Nurtured, Achieving, Resected, Responsible, Included*), and highlights strengths and pressures in the child's situation. Families are fully involved as key partners in these discussions.

The Child's Plan will outline what action will be taken by the child, their family and professionals, and detail how these supports aim to help improve the child or young person's Wellbeing and overcome any difficulties.

A Lead Professional will be identified to co-ordinate and manage any Child's Plan.

Information is available on the Aberdeenshire *Getting It Right for Every Child* Website:

12 Child Protection

Child protection is the responsibility of all who work with children and families regardless of whether or not they come into direct contact with children. All workers must be fully informed of their responsibilities in respect of keeping children safe. All services working with children, young people and families are expected to identify and consider the wellbeing of children and to share concerns appropriately.

Within our School we have a designated member of staff appointed to be responsible for Child Protection matters. If there is the possibility that a child could be at risk, the school is required to follow the Child Protection Procedures laid out for Education.

This may mean that the child is referred to Social Work, the Police or the Children's Reporter. In our school **the designated staff are: Mrs Lees and Mr Gardner**

Remember – if you suspect a child is at risk, do not rely on someone else to notice.

If you would like to speak to someone, seek help or pass on information or concerns:

You can speak to designated staff in our school

Social Work Monday to Friday during office hours contact your Children & Families local [Social Work Office](#)

Evenings & Weekends call the Out of Hours Service on 03456 08 12 06

Police Emergency 999, Non-Emergency 101

Signs of abuse can range from poor personal hygiene and hunger to unexplained injuries or self-harm.

If a young person tells you they are being abused:

- stay calm and listen to them
- never promise to keep it a secret – tell them you must let someone else know
- remind them that they are not to blame and are doing the right thing
- report it, but leave any investigation to child protection agencies

Parent & Carer Involvement and Engagement

The term “parents” refers to anyone with parental responsibilities and others who care for or look after children or young people.

Both globally and nationally it is recognised that parents are the single most important influence on their children’s development, learning and achievement. The involvement and engagement of parents in their children’s learning is recognised as a key element in raising attainment, through support, help and encouragement given at home and whilst at school.

Parental Involvement and Engagement Strategy The Parental Involvement and Engagement Strategy demonstrates the commitment by Aberdeenshire Council to improve the quality and the extent of all parents’ involvement in their child’s learning and the important role they play in their child’s education.

The plan sets out a vision for parental involvement and engagement for the next three years and covers a journey that a child takes from pre-birth to age 18. It highlights the leadership of those who make the difference day in and day out.

<http://publications.aberdeenshire.gov.uk/dataset/parental-involvement-and-engagement-strategy-and-action-plan/resource/02c6596e-8cba-42c7-b28a-eed64086ea42>

14 Parental Engagement

Parental engagement is about parents’ and families’ interaction with their child’s learning. It can take place in the home, at school or in the community: where it takes place is not important. The important thing is the quality of the parent’s engagement with their child’s learning, the positive impact that it can have and the interaction and mutual development that can occur as a result of that interaction.

15 Communication

The school uses a range of approaches to share information about your child’s learning and progress. These include:

Use of Groupcall to text and email

Alford Academy Blog and Facebook Page

Newsletters

Events

Open days/mornings/afternoons

Headteacher 1:1s and “Share the Air” events

Monitoring and reports

The school calendar highlights planned opportunities where we welcome you into school for events, and opportunities to talk about your child's progress, wellbeing and behaviour (see Further Information).

16 ParentsPortal.scot

parentsportal.scot

In support of Aberdeenshire Council's ambition to offer more digital services to its residents, Aberdeenshire primary and secondary schools are rolling out a new national online service called **parentsportal.scot**. This is designed to replace the paper 'schoolbag run', giving a child's registered contacts access to a range of school-related online services, 24 hours a day, 7 days a week.

At the heart of the system, is a secure account through **mygov.scot**, which is referred to as '**My Account**' or '**MyAberdeenshire**' account. 'MyAberdeenshire' is already used to allow parents/carers to make online payments or receive notifications if a school closes unexpectedly. **Parentsportal.scot** and '**MyAberdeenshire**/'**mygov.scot** will work together, making this a convenient one-stop-shop, to access all Aberdeenshire digital services.

Initially, **parentsportal.scot** will allow parents/carers to see basic information about your child(ren)'s school and twitter account as well as:-

- make a link to your child(ren)
- complete the annual data check process electronically (child's main contact only)
- update their own as well as your child(ren)'s details at any time
- to register and access for online school meal payments using one sign in (iPayImpact)

How do I sign up? - If you **already have a myAberdeenshire account** to pay for school meals through iPayImpact, you can sign up using the same sign in details at <https://parentsportal.scot/home/> You **do not need** to register or set up a new **mygov.scot** account.

If you do not have a myAberdeenshire/mygov.scot account or are looking for more information and videos on how to access to **parentsportal.scot**, please go to <https://www.aberdeenshire.gov.uk/schools/school-info/parents-portal/>

17 Learning at Home

Learning at home is the learning which happens in the home, outdoors or in the community. Your home is a great place to support learning. Your child can try out new activities or practice familiar learning, at home and in their wider community.

At our school we provide materials for you to work with your child to develop key skills at home. For explanation of this please go to our homework policy

(see Alford Academy's website)

18 Parent Forum and Parent Council

The Parent Forum is a collective name for all parents, carers or guardians in the school.

The **Alford Parent Council** is a group of parents selected by the Parent Forum to represent the views of all parents, carers and guardians in the school. The Parent Council works with the school to support learning and teaching, school improvement and parental and community engagement.

Contact the Parent Council Chairperson **Ingrid Huldal** or Moira Milne, Head Teacher for more information about getting involved in the Parent Council or email: **alfordaca.pc@outlook.com**

19 Parents and School Improvement

Our school has a range of priorities that we work on each year which are explained in our School Improvement Plan (SIP). Parents often have helpful and creative ideas about how to improve their child's school and what can be done to improve the quality of children's learning. In our school we will consult with parents in a number of ways. These may include:

- working groups/focus groups which any interested parent is invited to be part of
- questionnaires and surveys
- consultation with the Parent Council

20 Volunteering in school

There are many opportunities for you to support learning in school. These may include:

- volunteering to share the skills and knowledge you have
- supporting children and young people in the classroom
- supporting or lead extra-curricular activities
- directly supporting with specific skills (paired reading for example)

More detail about this can be found using the link below:

<http://jobs.aberdeenshire.gov.uk/volunteer-with-us/> or contact Moira Milne, Head Teacher.

21 Collaborating with the Community

We work with many local organisations, community groups and businesses to ensure our children and young people benefit from further resources, experiences and opportunities. If you are interested in working with the school, please contact the Headteacher

22 Addressing Concerns & Complaints

Aberdeenshire Council recognises the vital role that parents play in supporting their child's learning and is committed to fostering positive relationships with parents. No matter how strong partnerships are, or how good our policies are, sometimes things can still go wrong and there may be occasions where parents wish to express unhappiness or dissatisfaction with council services, policies or staff behaviour.

<http://aberdeenshire.gov.uk/contact-us/have-your-say/have-your-say-guide/>

When a complaint is made it must be handled in accordance with the Complaints Handling Procedure which provides two opportunities to resolve issues internally. In order to maintain positive relationships, it is usually better for all if parental concerns or complaints can be resolved at school/ early years setting level as quickly as possible.

If a concern or complaint cannot be resolved at frontline resolution (Stage 1) then it will progress to Investigation (Stage 2) and a detailed investigation into the matter will be carried out. Complaints that are complex, serious or high risk and require detailed, lengthy investigation may be dealt with at the Investigation Stage from the outset.

Once the two internal stages of the Complaints Handling procedure have been exhausted, the complainant must be directed to the Scottish Public Services Ombudsman (SPSO) to carry out an independent external review of the process. The SPSO is the final stage of the complaint procedure.

Once the SPSO reaches a decision they may contact the council with recommendations for improvement and will provide dates by which the recommendations must be implemented. The council is required to report back to the SPSO and evidence that the required action has been taken.

School Policies and Useful Information

School Policies such as the Homework Policy; Promoting Positive Relationships; our Mobile Phone etc. are published on the school website and can be found by clicking the parents tab at the top. Please go to the Alford Academy website

23 Attendance

1. All pupils under the age of 16 are required by law to attend school and it is the responsibility of parents/carers to ensure that their child attends school regularly and arrive on time. Parents are also responsible for ensuring the safety of their children on their journeys to and from school except whilst on school transport where Aberdeenshire Council has clear guidelines about pupil safety.
2. Regular and punctual attendance is linked closely to achievement and school staff wish to work with parents to ensure that children can reach their full potential. The school is required by law to maintain an accurate record of the attendance and absence of each pupil and parents are requested to assist in this process by keeping the school informed if their child is to be absent for any reason.
3. Parents/carers must inform the school office of their child's absence by telephoning 019755 20430 before 8.30am on each day of the absence. On the pupil's return to school, parents are asked to provide a note confirming the reason and length of absence. The note should be signed and dated.

Lateness:

All pupils are expected to arrive in good time for school and classes. Pupils who arrive in school after registration must come in the main campus entrance and sign in at Reception. Punctuality is monitored through the school's electronic registration system. The parents/carers of pupils whose lateness is causing concern will be contacted in order to find an early resolution to the problem.

Permission for absence from school:

Pupils who attend an appointment during the school day must have signed approval from a member of the Senior Leadership Team (SLT). On the day of the appointment, before the start of period one, pupils must bring the appointment card / parental letter and a 'permission to be out of school' form to a member of SLT for signing.

All pupils leaving school during the school day must sign out at Reception. On return to school, pupils must sign in again at Reception.

Parents are requested to keep appointments during the school day to a minimum.

Illness or accident during school hours:

A pupil who feels unwell during class should tell the class teacher. Where necessary, the class teacher will telephone for the Nursing Assistant or a First Aider to attend the pupil. If the Nursing Assistant decides that the pupil should be sent home, school will contact the parent/carer. No pupil may go home without permission and pupils who are being sent home due to illness must be picked up by a parent or other responsible adult (e.g. close relative).

A serious accident or illness will be referred to the Nursing Assistant, a member of the Senior Leadership Team or identified First Aider who may require, if the circumstances necessitate, to call on external medical help.

In the event of an accident or illness which requires referral to the local Medical Practice and/or to the Accident and Emergency Unit at Aberdeen Royal Infirmary, parents or the designated emergency contact will be informed.

The school follows the Aberdeenshire Attendance Policy:

http://www.aberdeenshire.gov.uk/media/19805/attendance-policy_april-2015.pdf

Procedures for following up on pupil absence are based on the Education (Scotland) Act 1980 which requires by law that parents/carers ensure that children attend school regularly. The Home/School Liaison Officer has a key role to play, providing a vital link.

24 Holidays during term time.

The Scottish Government has deemed that holidays taken during term time for primary and secondary children should be recorded as unauthorised absence unless there are special, exceptional circumstances. Should you wish to remove your child from school to attend a family holiday you must inform the Head Teacher. This will be recorded as unauthorised absence though there may at times be exceptional family circumstances previously discussed with the Head Teacher. Parents are advised to limit the number of holidays taken during term time, to minimise disruption to a child's education. For annual holiday dates for Aberdeenshire schools please see the section at the back of this book, contact the school office or go to:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/school-term-dates-and-in-service-days/>

25 Dress Code

All pupils are expected to maintain a high standard of appearance and to wear school uniform (as detailed below) during school hours and when representing the school. Almost all parents support us in applying the school dress code and the co-operation of parents in this matter is appreciated.

The school uniform consists of:

- White shirt
- Alford Academy school tie
- Black V-neck jumper with school logo (S1 – S3)
- Black blazer with school logo (S4 – S6)
- Black skirt/trousers (not jeans/leggings) – girls may wear trousers
- Black shoes or black trainer-type shoes

Please refer to the school website/blog for information on how to purchase items.

PE Kit consists of:

- Shorts / T-shirt or sports shirt (no string strap tops)/ gym shoes or trainers
- Appropriate clothing for an activity (e.g. swimming)
- Towel for shower after P. E. (optional)

Aberdeenshire Council accepts no responsibility for the safe custody of property belonging to pupils. All property of pupils should be clearly marked with the owner's full name. Lockers are available, on request, from the school office. Money and articles of value should not be left unsupervised in bag racks. All items of jewellery/valuables should be handed in to the class teacher during P.E. lessons.

26 Clothing Grants

Some families may be entitled to a school clothing grant of £100 per eligible child per financial year. More information about this can be found at:

<http://www.aberdeenshire.gov.uk/schools/parents-carers/assistance/school-clothing-grants/>

27 Transport

In order to qualify for free Home-to-School Transport, Primary school pupils must reside more than 2 miles from and attend their zoned school whilst Secondary school pupils must reside more than 3 miles from and attend their zoned school.

These distances are the shortest available route from the pupil's house to the school gate and can take into account main roads (including dual carriageways), tracks and paths. Pupils will be assigned a collection point, in villages and towns and where safe to do so, pupils may have to walk up to 1 mile to the nearest collection point. Pupils who reside in rural locations are usually collected at the nearest adopted road to them (track end or roadside). School transport vehicles will not use private unadopted roads or tracks. It is the parent's responsibility to escort the pupil to and from their collection point. Application forms for free transport, Form PTU100 can be obtained from the school office.

28 Privilege Transport

Transport provision is also made available for pupils who are not ordinarily entitled to transport. Privilege transport is provided on school transport services subject to spare seating capacity. There are 3 types of privileged transport available.

In-zone Privileged transport

Pupils who attend their zoned school but are under the qualifying mileage can apply for In-zone privilege transport. If there is suitable seating capacity available and an existing route then the application should be approved, if there is not and there is a safe walking route available to the pupil, then it may be rejected. Please also note that if seating capacity is needed for a pupil who is entitled to school transport, In-zone Privilege pupils may be give written notice and removed from transport.

In-Zone Privilege Transport – Safety

Pupils who attend their zoned school but do not qualify due to their residence being under the qualifying mileage can apply for In-zone privilege transport. If there is no safe walking route available to the pupil, they are guaranteed a seat on transport by applying for an In-zone Privilege pass. A pupil who is guaranteed in-zone privilege transport would not be removed to make room for a pupil who is entitled to school transport.

Out of Zone Privilege Transport

There is no transport entitlement to pupils who attend a school which they are not zoned for. Pupils may apply for Out of Zone Privilege transport; pupils are required to meet the nearest available school transport vehicle to them, and it is the parent's responsibility to bring the pupil to the nearest collection point. Out of Zone Privilege transport pupils may be removed, with written notice, at any time for In-Zone Privilege and Entitled transport pupils.

Application forms can be obtained directly from your child's school. For further information, see the Council website:

<https://www.aberdeenshire.gov.uk/roads-and-travel/school-transport/school-transport/> or contact: school.transport@aberdeenshire.gov.uk

Local Bus/Registered School Bus Services

Some services operate as registered bus services. These operate on a fare paying basis and pupils will be required to pay fare to the driver or purchase a season ticket for travel.

29 Early Learning & Childcare Transport

Transport to early learning and childcare settings will not be provided by Aberdeenshire Council, unless there are relevant exceptional circumstances. Where there are significant additional support needs, transport may be provided. In such instances this requirement should be discussed with the Head Teacher in conjunction with the Early Years Quality Improvement Manager.

30 Special Schools and Enhanced Provision

Aberdeenshire Council may provide free transport where necessary for pupils who attend a school with enhanced provision proposed by the Authority. In certain cases, pupils may be encouraged to make their own way to school by public transport, and where this is authorised, bus passes are issued. Where a pupil's address falls in the delineated area of a resourced school, and is within reasonable walking distance, the Authority will take advice from the Community Child Health Service before deciding if free transport should be provided

31 School Closure & Other Emergencies

Head Teachers decide if and when schools should close due to bad weather or another emergency. In bad weather they will decide this after receiving information about local weather conditions. This decision can be made during any time, day or night. These guidelines outline the procedures for dealing with school closures during bad weather or other emergencies.

If children are at school...

School transport contractors have been told not to allow children to walk home alone from drop-off points under any circumstances during extreme weather conditions. If you can't meet or arrange for your child to be met, the school transport will return them to a designated location.

Public service vehicles – drivers of these vehicles follow a specified route and keep to timetables – they cannot make special arrangements.

If your child attends a Nursery, Primary or Special School, which is to close early, the school will contact you by telephone. If this is not possible the school will contact your named 'emergency contact'. No child will be released from school without contact being made. It is important contact details are current and the people named are available – particularly during bad weather.

If your child attends a Secondary School, because of the large number of pupils in Secondary Schools, parents will be contacted via text/email to inform them of closure.

If you are concerned about local weather conditions contact the school. You may wish to collect your child yourself and are free to do so provided you make arrangements with the school.

Before the start of the school day...

During bad weather some staff may not be able to get to school or bus routes may not be safe to travel on – so the school may have to close. Headteachers will advise parents and carers using the following communication tools:

Outwith school hours, your local radio station is a good place to find out information on school closures. The following radio stations receive updated information every 30 mins from our website:

School Information Line

Tel: 0370 054 4999 then **02 1010**. If you cannot get through first time, please do not put this number on redial. This will only lead to the line being busier.

32 Storm Addresses

When there has been severe snow storm during the day it may be prudent for pupils who live some distance from the normal bus routes not to attempt to reach their homes but to spend the night in alternative accommodation nearer school. It is the parents responsibility to inform school about any pupils who may be at risk in such situations and to provide the name and address of a relative or friend who is willing to provide overnight accommodation.

33 Change of address and Parental Contact Details

To enable us to make easy contact with parents, the school would appreciate if any changes of address, telephone number of circumstances is notified in writing to the School Office. It is also important that the school has details of an Emergency Contact should it prove impossible to get in touch with parents in the event of an emergency.

34 Anti-bullying Guidance

What is Bullying?

Aberdeenshire Council Education and Children's Services define bullying as the following:

Bullying takes place when the actions of an individual or group of people cause harm to someone by taking advantage of an imbalance of power within a relationship (whether perceived or real). Bullying behaviour can be persistent and/or intentional, but often it is neither.

Bullying can be verbal, physical, mental/emotional or cyber and is behaviour and impact. It can be intentional or unintentional, direct or indirect, persistent, or a one off incident. The impact is on a person's ability to feel in control of themselves.

Bullying can be verbal, physical, emotional or cyber. It can be intentional or unintentional, direct or indirect, persistent, or a one off incident. People who experience bullying behaviour feel vulnerable and/or socially isolated.

What will the school do about it?

Schools should promote consistency of response to instances of bullying behaviour using a 6 step approach. They will:

1. Record the Incident
2. Speak to the individuals involved having frank and honest dialogue
3. Speak to parents
4. Utilise Restorative approaches
5. Monitor the situation
6. Review and increase response accordingly

More information can be found in our School's anti-bullying guidance on the Alford Academy School Blog <http://alfordacademy.edublogs.org/>

Copies of this school guidance can also be accessed via the School Office

35 School Meals

Secondary School Lunches

Our academies offer a breakfast, morning break and lunch service. This is very different from the service in our Primary schools and is popular with Academy pupils.

A Fusion App is available and works alongside our normal counter service. Academy pupils can order their lunch straight from their mobile device and then pick it up from a designated collection point at lunchtime. Fusion Mobile also allows pupils to check their balance. To place an order funds must be available on their account.

Secondary school menu and prices

- pupil price list (pdf 61KB).
<https://www.aberdeenshire.gov.uk/media/24060/secondary-pupil-price-list-2019.pdf>

There are many benefits of having a school lunch:

- Food prepared daily by trained catering staff, many of whom are parents
- Choice of three main courses each day
- A range of sandwiches as an easy alternative to a home packed lunch
- A delicious and varied menu offering great value
- A complete school meal provides 1/3 of a child's daily nutritional needs

Additional information regarding Secondary school meals can be obtained via this link

<https://www.aberdeenshire.gov.uk/schools/school-info/meals/secondary-school-meals/>

Online payments system

We are encouraging parents/carers to register for online school payments due to COVID-19 to eliminate handling of cash. Parentsportal.scot is the recommended way to register to access all school payments including school meals.

Parentsportal.scot is securely linked to a myAberdeenshire account and to register follow this link

<https://www.aberdeenshire.gov.uk/schools/school-info/parents-portal/>

Please ensure there are always sufficient funds on your child's account prior to sending them for school meals. There is a formal debt recovery process for accounts that fall into debt.

If you are having difficulty making payments please contact the school office as we are here to support families and will do whatever we can to assist you.

If you require any further information regarding School Catering send a message to this email address - schoolmeals@aberdeenshire.gov.uk.

36 Healthcare & Medical

Every child's health and welfare is very important to the school. Parents who have any concerns should let school know by telephoning or writing in. Alternatively parents can inform the Health Visitor or their own GP. Parents are requested to let the school know of any hospital appointments.

Parents/carers are requested to keep children at home for 24-48 hours if the child has diarrhoea, flu-like symptoms or is clearly unwell.

Always seeks a GP's advice before sending a child back to school. Please remember that other children can be vulnerable to infection.

The school is fortunate to have a nurse in attendance to undertake Health Interviews and provide advice on health matters for pupils. The school doctor will play a vital role in monitoring a child's health and well-being.

Although our medical staff provide help and advice as appropriate, all pupils must be registered with a doctor in general practice who should be consulted about health matters as they arise. Parents should provide us with the name and telephone number of their child's doctor and an up-to-date emergency contact for themselves in case it becomes necessary for a child to be sent home during school hours because of illness.

Aberdeenshire Community Dental Service inspect P1 and P7 children in schools as part of the National Dental Inspection Programme. Written parental consent is not required for dental inspections, but parents will be informed in writing approximately one week before the inspection date.

(S) Immunisation against Diphtheria, Tetanus and Poliomyelitis is provided for all pupils during the third year. If a pupil is unable to keep the school appointment, parents are advised to request immunisation from their own doctor.

HPV Immunisation to protect against cervical cancer is offered to all girls in S2. This is a series of 3 injections over a six month period commencing in September each year. A catch-up programme is also in place for girls who miss any of their injections.

Most pupils will at some time have a medical condition that may affect their participation in school activities. For many this will be short term; perhaps finishing a course of medication to combat an infection.

Other pupils have medical conditions that, if not properly managed, could limit their access to education. Such pupils are regarded as having health care needs. Most children with health care needs are able to attend school regularly and, with some support from the school can access most school activities. However, school staff may need to take extra care in supervising some activities to ensure that pupils are not put at risk.

Planning formats may include either:

- Individual Pupil Protocol (IPP) (Med form 7).
- Health Care Plan written by Health professionals for very specific medical needs.

A risk assessment should also be completed.

The above can help schools to identify the necessary safety measures to support pupils with medical needs and ensure that they and others are not put at risk.

Please find the link below to our policy and guidance: Supporting Children and Young People with Healthcare needs and managing medicines in Educational Establishments

<http://asn-aberdeenshire.org/wp-content/uploads/2017/08/Supporting-Children-Managing-Medicines-Educational-Establishments.pdf>

Sunscreen - As children are outdoors for learning and for play, parents should apply this prior to sending children to school or nursery. School staff do not supply, nor do they apply, sunscreen creams.

If your child has long term medical conditions such as asthma or diabetes, which may require on-going support, this should be fully discussed with the school. In certain cases specific training of staff about a child's treatment may need to be given. In addition, some children have conditions which may require occasional staff intervention e.g. severe allergic conditions such as anaphylaxis.

38 Exclusion

The foundation for schools, learning establishments and education authorities is a whole school ethos of prevention, early intervention and support against a background which promotes positive relationships, learning and behaviour. Where pupils who display behaviour, whereby attendance at the school would be likely to be seriously

detrimental to order and discipline in the school or the educational well-being of the pupils there, and where other forms of support have proved unsuccessful, the Authority exclusion policy may apply. For further information on exclusions contact the school or go to:

http://www.aberdeenshire.gov.uk/media/3901/policy_disc_exclusion.pdf

39 Educational Visits

We offer various educational visits during the course of the school year. We believe that 'hands on' experiences greatly enhance a child's education, while also helping to make the necessary links between learning in school and life outwith school. Staff members and parent volunteers provide supervision to standards laid down by Aberdeenshire Education & Children's Services. We give parents as much notification as possible with regard to visits their children will participate in.

40 Instrumental Tuition

From Primary 4 onwards, tuition is available for a range of musical instruments. All disciplines are taught in the secondary schools however not all disciplines are available in primary schools due to limited resources. Orchestral string instruments are not normally available to beginners at secondary level. Tuition is subject to availability.

For further information go to:

<http://aberdeenshire.gov.uk/schools/ims/>

41 (S) Education Maintenance Allowance

An Educational Maintenance Allowance (EMA) is a weekly payment paid directly to young people from low income families to enable them to stay on in further education at school or college after they reach statutory school leaving age. This is funded by the Scottish Executive. Further information on EMA's and how to apply can be found here:

<http://aberdeenshire.gov.uk/schools/parents-carers/assistance/ema/>

42 Public Liability Insurance

Aberdeenshire Council holds third party liability insurance, which indemnifies the Council against claims from third parties, e.g. parents on behalf of pupils who have suffered injury, illness, loss or damage arising from the negligence of the Council or its employees. In these circumstances all claims are handled on behalf of the Council by external Insurers and Claims Handling Agents and compensation is dealt with on a strict legal liability basis. This means that there is no automatic compensation, the Council has to be found negligent in order for any compensation to be offered by our Insurers and / or Claims Handling Agents.

Whilst the school will exercise reasonable care for pupils' property, it is inevitable that property will be lost or damaged from time to time. Pupils' property which is worn or brought to school or left in bags/cloakrooms is at their own risk. This includes but is

not restricted to personal items such as jewellery, phones/tablets watches and bicycles. Aberdeenshire Council cannot accept responsibility for loss or damage unless caused by negligence of the school or staff.

43 School Off Site Excursion Insurance

Aberdeenshire Council has in place a School Excursion Insurance policy, whereby both pupils and teachers are covered for offsite activities / trips both within the UK and abroad (offsite meaning off the school premises). The policy covers medical expenses, loss of baggage, cancellation (as specified in the policy) , curtailment and change of itinerary (along with other sundry benefits) etc. for worldwide trips and adventurous activities (including winter sports), subject to policy terms and conditions being met.

If personal items such as jewellery, phones/tablets, watches etc. are taken on a school trip then these are taken at an individual's own risk and are not covered under the policy, unless damage or loss is caused by an Aberdeenshire Council employee.

Personal / individual cover is seen as a parental responsibility and it is your decision as to whether you feel it is appropriate to obtain this.

Please be advised, however, that the Duty of Care aspect below is not insurance related:

Duty of Care

The Authority has a duty of care in respect of pupils in its charge during school hours and as such has to take reasonable steps to ensure the safety of all primary and secondary pupils. This general duty of care continues if the children go home by way of school transport and ends when the child gets off the bus, at which point the parents then become responsible.

44 Data we hold and what we do with it.

As you are aware the new General Data Protection Regulations (GDPR (EU) 2016/769 came into force on Friday 25th May, 2018. This change to the law gives parents/carers and young people greater control regarding how their personal data is used.

Digital technology has advanced greatly over the years and the Data Protection Act was also updated last year to take this into account and make it fit for purpose (Data Protection Action 2018).

Aberdeenshire Council is committed to full compliance with these regulations. When you are asked for information by Education & Children's Services, we will tell you why we are collecting the information, how long we will hold it and the legal basis for gathering this information. A Privacy Notice has been issued to all schools relating to the information we hold on yourself and your child/ward.

45 The information we collect from you

Aberdeenshire Council collects personal data and information about your child in order to provide your child with a school education.

We will normally only share information (other than in child protection situations) in order to provide services for your child as part of his/her school education. We collect special category data about your child and process this because it is in the substantial public interest.

The information held by Aberdeenshire Council is used to assess, plan, coordinate, deliver and quality assure the education services to your child. The Council does not use an automated process for making decisions about your child or the services required; decisions are made with you. We will keep this information for a period of 5 years from the maximum school leaving age of your child, as required to by The Pupils' Educational Records (Scotland) Regulations 2003, unless we have a legal responsibility to keep the information for a longer period of time.

46 Your Data, Your Rights

You have legal rights about the way the Council handles and uses your data. More information about all of the rights you have is available on our website at: <https://www.aberdeenshire.gov.uk/online/legal-notice/data-protection/>. Alternatively you can contact the Council's Data Protection Officer by emailing DataProtection@aberdeenshire.gov.uk or in writing at: The Data Protection Officer, Town House, 34 Low Street, Banff, AB45 1AY.

You also have the right to make a complaint to the Information Commissioner's Office, (www.ico.org.uk). They are the body responsible for making sure organisations like the Council handle your data lawfully.

The Council is required where it is data controller under the GDPR to act in a transparent manner by providing information to individuals about how it will collect and use their personal data. Privacy Notices are an essential part of complying with this requirement. The Privacy Notice must provide information to individuals in a concise, transparent, intelligible and easily accessible way and must be written in clear and plain language. There are a number of examples available on <http://publications.aberdeenshire.gov.uk/dataset/education-privacy-notice>.

47 Parental Access to Records

Access Requests are the formal process by which individuals can seek information held about them (or their children) by the council. The requests can be broad, in terms of everything that is held, or quite specific - everything held by a specific department, establishment, team or individual. We have a legal requirement to provide the information under the Data Protection Act 2018. An Access Request is wider than an Educational Record in that it will include all personal data held about a child not just their educational record. Further information can be found at:

<https://ico.org.uk/your-data-matters/>

The Pupils' Educational Records (Scotland) Regulations 2003 means that you can get access to your child's records. Details of the regulations and process for obtaining information specific to pupils are available by contacting the school directly or can be found at:

<https://education.gov.scot/parentzone/my-school/general-school-information/My%20child's%20record>

48 Information Sharing

In terms of effective communication, including sharing relevant and proportionate information, where appropriate, Aberdeenshire Council in accordance with the Data Protection Act 2018 and Human Rights Act 1998 adheres to this as part of our current routine practice.

49 ScotXed

ScotXed is a term used to represent the Scottish Government's Education Analytical Services, which is part of the Scottish Government's Learning Directorate.

ScotXed have legal powers to request data with regards all children and young people being educated in Scotland's schools, with the information collected about pupils and staff in schools used to help to improve education across Scotland. They do not collect the names of your child/children and they do not receive any contact details the school may have for you (e.g. telephone number, email address), and no information is published or made publicly available that would allow your child/children to be identified. More information on what and why they need data about your child/children, along with how they collect and store it is available in their Education Statistics Privacy Notices for parents and carers:

<https://www2.gov.scot/Topics/Statistics/ScotXed/SchoolEducation/ESPrivacyNotices>

If you have any concerns around the national ScotXed data collections, you can:

- Contact the Data Protection & Information Assets team at the Scottish Government on dpa@gov.scot, or
 - The Head of Education Analytical Services, Mick Wilson, on at mick.wilson@gov.scot,
 - You can write to them at Education Analytical Services, Area 2A-North, Victoria Quay, Leith, EH6 6QQ.
 - Alternatively, complaints may be raised with the Information Commissioners Office at casework@ico.org.uk.
